

# WESTERN KENTUCKY UNIVERSITY

BOWLING GREEN, KENTUCKY

Office of Associated Students

April 26, 1977

As the present Congress of Associated Student Government comes to a close, I wish to thank you for your work with us over the last year. There are one or two things still pending that have been discussed previously. It is my intention to list those along with my recommendations.

- 1) A.S.G. Constitutional Revision.  
Much time and thought have been spent over the proposed revisions in the Constitution. Some of the revisions are very necessary as the present constitution carries several outdated points. Our proposals are directed at the benefit of A.S.G. becoming more truly representative of the student body.
- 2) Extended University Facility.  
It is felt pertinent that all students have a place for interaction when desired. There are many reasons for a campus facility being available beyond the present times. Dormitory lobbies, University Center Grill, or a coffee shop have been suggested.
- 3) Open Visitation.  
As the Board of Regents approved visitation within the limits of three times per weekend, and based on University feasibility, it is recommended that visitation be extended within the limits the board approved.
- 4) Advanced Registration.  
The University Committee that studied Registration Systems over the last year are to be commended for their work. A.S.G. strongly supports their proposal for implementation of an advance registration system to be tried on a trial basis, pending evaluation for further extension.

It has been my pleasure to have worked with you on such issues of concern to the student body and the University.

With every good wish

Sincerely,

Christy Vogt  
President, A.S.G.
